

Help make Thornbury Primary a Kids Matter School

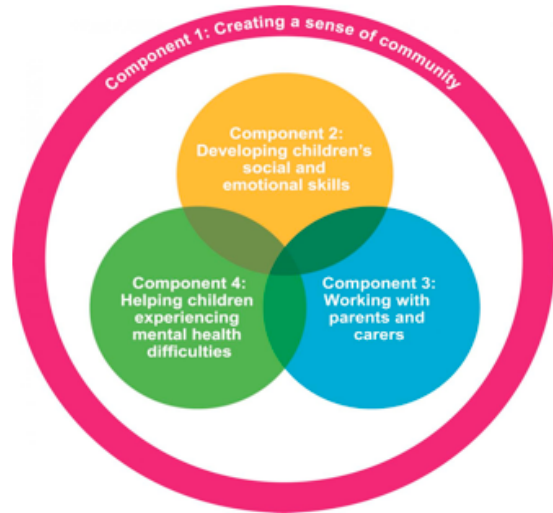

Dear Parents/Carers,

We are looking for a parent/carer to be part of our Kids Matter action team!

What is Kids Matter?

Kids Matter is all about children's health and wellbeing. We know that being mentally healthy is vital for learning and for leading a rewarding life.

Kids Matter is a way for our school to nurture happy, balanced kids through mental health promotion, prevention and early intervention activity and planning.

The four components above, outlines the framework that we will learn and implement in order to achieve our goals. The components are interrelated and work together to support student mental health.

What will I need to do?

You will be part of our Kids Matter Action team meetings where we will discuss the appropriate actions to implement this initiative. Meetings will take place twice a term. You will be required to represent the parent community and inform the community of news and forthcoming. You will also be part of our professional learning events for Kids Matter. Most importantly, you will be part of a team that will help shape and build a positive approach to wellbeing and culture in our school community.

If you're interested, please fill in the form below and hand it to your classroom teacher

For further details see Jane Joske (2J) Richard Garcia (Prep R).
